NETHA'S NOTES

I want to wish everyone a very Happy Easter. This time of year is such an enriching time. Flowers are blooming , trees are budding and there is a feeling of newness in the air. It is also the time we know through Christ rising from the dead, that we, as believers, have a new beginning waiting for us. I also want to thank you for all the prayers and concerns you have given me during my illness and up-coming surgery.

PASTOR'S POST

There are times I sit and just ponder on what is going on in our world. As I ponder on certain things, can not help but wonder when God will have enough and send His Son back to claim what is rightfully His. Easter brings to us, what I believe, is the greatest holiday in the world. Every other religion celebrates their "savior" as they all gather around their graves. Fancy parties and selfish rituals surround tombs and gravesites with dust of the bone of whoever it may be. We celebrate that Jesus Christ has risen and is today sitting at the right hand of the Father. Easter brings to all of us the hope in the promise that God will someday send His Son back to claim what is rightfully His. I pray from the bottom of my heart that all your loved ones have a loving relationship with the Father in heaven through His Son Jesus Christ. I pray that each of you have a joyous Easter and that this Easter we find blessing for our families and the church through the Risen Savior, Jesus Christ.

God bless you all,
Brother Steve
