NETHA'S NOTES

The summer has sure gone by fast. School will be starting this month. Please pray for our children as they face the tribulations of the world at school. The month of August will be a time for our church to reflect on our accomplishments and a time to plan for the coming year. Please be in prayer for these matters.

PASTOR'S POST

The other day I watched a show on the History Channel concerning the end of the world. As I watched the show, I gained an interesting insight on how other religions view the end of the world and all what will happen. As I watched this program, I wondered how many of the world's religions really understand that the end-times has been told by God Himself through His Word and that what the other religions proclaim as truth, we show through historical fact that the prophecies in the Bible have been foretold and are coming to fact right before our eyes. Jesus has told us to watch and prepare for His coming and yet we sit back and do nothing. I often wonder how our Lord's heart must ache over the lack of faith and commitment those who claim to be Christians are doing today. So many pastors are afraid to speak the truth in fear of losing their congregation and so the truth is either being watered down or just not spoken at all. Today there is a sense of urgency to get the Word of God out to those who for no better words have not heard the truth. We need to spread the Gospel of Jesus Christ not only to those we know that are not saved, but those the Father brings in our lives as well. In the months to follow, let's answer the call by Jesus and "Make disciples of all nations. Baptizing them in the name of the Father, and of the Son and of the Holy Ghost."
