## NEW CHURCH WINDOWS

### PRAISE GOD !!!

Donations are coming in every week to replace windows in our church. We now have funds to purchase 7 windows. There are a total of 20 windows to be replaced. This is using the figure it took to replace the windows on the west side of the building. Prices could have went up some.

Each window is figured at \$375.00 each. If you have not donated and would like to contribute to this fund. Just put on your offering envelope for "Windows".

## NETHA'S NOTES

I've been in the office now just over 2 months. What a blessing God has given me to be able to do His work in this capacity. There is still a lot for me to learn but with God's help and your patience things will go smoothly. If there are any questions or things that need to be brought to my attention please let me know.
