### PASTOR'S POST

Ever wonder why we celebrate July 4th with such a “bang”? I believe it's to insure the “Rockets red glare” stays in our hearts. Our nation was established on Biblical and Christian principles, and for years we stood firm on these. It just in the last 10 or 15 years we have fallen away and now are no longer considered a Christian nation. I believe there is a revival getting ready to begin and I believe it will start right here. Let's stay in prayer for revival and stay focused on our task ahead. Be safe on the 4th and may God bless you all

Brother Steve

### NETHA'S NOTES

On this Fourth of July, let us remember and praise God for the freedom's we have in this country we live in. We need to pray each day for our leaders who run our country. Pray that they focus on the laws of God when making laws for our nation. Also pray for our armed forces who are continually risking their lives to keep our country free.

### CHURCH PICNIC

On July 18, 2010, we will meet at Boiling Spring State Park for Evening Services. We have the swimming pool reserved from 5:30 pm to 9:30 pm. Bro Steve will bring his message at 6:00 pm. We will have a fish fry after the services.

Everyone bring their lawn chairs and swimsuits and enjoy the evening fellowship.
