### PASTOR'S POST

I want to take a moment and let everyone know that I am so excited in doing what the Lord has called me here to do. The members of Crown Heights Baptist Church are a blessing to Tammy and I. Your love and support has been and always will be a blessing to us. Five months have gone by since I became the pastor here and it has been the greatest five months of my life. Everyday I see our Lord working in our church and everyday I am blessed to be a part of His work here. March brings to us great challenges in the way of growing our church. We will begin the process of ordaining Terry as a deacon, the church renewal with Ed Wingfield, and embarking on a great Discipleship training course call Master Life. The month of March also ushers in Spring. Spring is a time of new growth as we see the leaves start coming in and the flowers blooming. Spring can also mean a new growth in the church. Let all of us this month invite a friend or family member to church. Let's fill the pulpit with fresh commitments to the Lord and to our church. Let's make Spring a time of new growth with the Lord. God bless and remember, wear green on the 17th.

Brother Steve
