### NETHA'S NOTES

Isn't God amazingly wonderful!!!. Only He could provide us with the seasons we enjoy. About the time we are so tired of the hot, sultry weather, He brings us the cool days of fall. In winter when we become tired of the bitterly cold, He brings the wonderful days of spring. Remember to thank God for all He does for us each day.

### REVIVAL WITH DESERT REIGN

Be sure and keep these dates on your calendar. On September 29th, we will start our fall revival with the music and preaching of Desert Reign. They will be here every evening thru Oct 3.

### PASTOR'S POST

Over a year ago, I got to witness the most beautiful sunrise I have ever seen. Sitting on a balcony in Coco Beach, Florida, I watched the sun rise over the ocean and through this wonder of God, realized how much God loves all of humanity. We often wonder about God's love when things go bad and at times we sense a loneliness and a separation from God when our days are filled with deadlines and stress from overwork and the everyday strain of trying to please everyone around us. When these days come upon us, all we want to do is scream and seek the comfort of solitude. I know, I've been there. Every time I get to the "end of my ropes" and I am on my "last nerve", I think back to that beautiful sunrise and thank God for thinking of me by allowing me that moment to witness His love for me. God loves each of us. We may think we are not worthy of His love, but we are. Our worth and His love was demonstrated on the cross. Take time this month to share the love of God with someone. Spend time with God and praise Him for the little things we take for granted... like a sunrise.
